*Description:* This one-story, three-bay dwelling is covered by a front-facing gable roof of composition shingles, is clad with asbestos shingle siding, and is set on a concrete block foundation. A brick chimney is located at the center of the roof ridge. The three-bay front porch is covered by a front gable that us supported by chamfered wood posts with square pickets between them. The three-bay front features a centrally located entrance flanked by six-over-six wood sash windows.

A shed-roofed addition has been constructed across the rear of the house. It holds a secondary entrance and six-over-six windows.

## *Cemetery Information*

## *Bridge Information*

## *National Register Eligibility Information (Intensive Level Survey)*

*Historic Time Period(s):* ..... S- The New Dominion (1941- Present)

*Significance Statement:* This mid-twentieth century frame vernacular dwelling is a type commonly seen in this region. The house is of common design, construction, and materials. The resource has no apparent association with any event or person important in our nation's history, lacks architectural significance, and does not appear to have the ability to yield important information. For these reasons, the resource is recommended as not eligible for the NRHP under Criteria A, B, C, or D.
